VO: The Chief Executive's 2023 Policy Address seeks to enhance the growth impetus of our economy and our well-being.

We will press ahead with major infrastructure projects and different industries, attract top-notch enterprises and talent, develop Hong Kong as an international hub for higher education and cultivate local technical professionals.

We will promote childbearing and take good care of the elderly. We will protect our health and build our home together.

CE: A vibrant economy for a caring community, this Policy Address belongs to each of us.
