

TV API Voice over script

VO : The Chief Executive, John Lee,  
has announced the 2023 Policy Address,  
seeking to enhance the growth impetus of our economy and our well-being.

Super: The 2023 Policy Address

VO : By leveraging the advantages of "one country, two systems,"  
and serving as a conduit between our motherland and the world.

Super: Enhance growth impetus of the economy

VO : We will press ahead with major infrastructure projects,  
nurture the rapid development of different industries,  
attract top-notch enterprises and talent,  
develop Hong Kong as an international hub for higher education,  
cultivate local technical professionals,  
and support small and medium enterprises (SMEs)

Super: Promote the well-being of everyone

VO : We will promote childbearing,  
take good care of the elderly and let our children grow joyfully,  
speed up land and housing supply,  
build a better living environment,  
protect our health and build our home together.

CE : A vibrant economy for a caring community,  
this Policy Address belongs to each of us.
