

TV API Voice over script

The Chief Executive: Reform and embracing change are our way forward.

College Student: I want more space to develop!

I&T man: Greater potential for innovation and technology!

Housewife: Better living environment!

LPH Tenant: Such an improvement in my living.

The Chief Executive: We'll enhance Hong Kong's competitiveness, boost the economy and improve livelihoods, driving reform and innovation.

I'll announce my fourth Policy Address in September. I welcome your views. Let's work together to build a better Hong Kong.
