Care for the Elderly

香港特別行政區政府
THE GOVERNMENT OF THE HONG KONG SPECIAL ADMINISTRATIVE REGION

The Government is publishing this year a series of booklets covering our Strategic Policy Objectives. These booklets provide clear descriptions of the initiatives being taken and the resulting benefits. In some cases, quantified targets are given. In others, these will be developed over time. This booklet spells out the Government's Strategic Policy Objective of providing “**Care for the Elderly**”.

“Caring for the elderly is the responsibility of every family : we need to provide a sense of security, a sense of belonging and a feeling of health and worthiness.”

Chief Executive, Mr Tung Chee Hwa
Policy Address on 8 October 1997
